BINGO WINNER!!

Help us keep the air we share
healthy and fragrance-free

Cassellholme is a scent-free building. Please do not wear perfume, scented hairspray, cologne, scented deodorant, aftershave, other scented products or do not bring in highly scented flowers, such as lilies & baby's breath.

Scented products contain chemicals which cause serious problems for many people, especially those with asthma, allergies and environmental illness.

Remember – no scents is good sense!

Cassellholme has a no-latex balloon policy. Allergies are caused by the powder inside and outside the latex balloons.

We ask that families please use the mylar (foil type) balloons.

Mylar balloons are made without latex, last weeks longer than regular balloons and can be **reused** until the self-sealing valve fails.

CASSELLHOLME FAMILY COUNCIL

Cassellholme Cares About Continence

Did you know that Cassellholme has a continence committee made up of staff dedicated to helping residents remain continent?

When continence proves impossible or impractical, this committee sees to it that residents live in comfort and dignity in spite of their incontinence. Cassellholme has a reputation for using the best products available to protect its residents against incontinence and its negative effects. As well, each unit in the home has one or more continence champions who promote practices that are helpful for continence care.

If you have concerns about continence, be sure to speak to the Registered Nurse (RN) or Registered Practical Nurse (RPN) on duty in your unit. If you are a resident or the Power of Attorney (POA) of a resident and would like to know what continence measures are already included in your individual Plan of Care, you can request a reprint of the plan.

If you would like to learn more about services offered by Cassellholme and offer practical suggestions that may be of benefit to all residents, be sure to attend Cassellholme Family Council meetings which are held the **first Tuesday of each month at 2 pm in the Garden Room** (unless otherwise posted).

Check the Family Council bulletin board beside the Garden Room for any changes.

If you would like to join the Family Council or would like more information, please contact:

Jillian Duchesne, Resident Support Coordinator

Tel: 705-474-4250 ext. 311 or email her at
